The Booking & Breeding Fee and this completed contract, must be received by KRUGER RANCH, **prior** to 1<sup>st</sup> semen shipment.

**SHIPPING CONTAINERS:** If an Equitainer® is sent, it must be insured & promptly returned in same condition or replacement cost of \$300 will be due. ... OR ... if a disposable container is used the disposable container does not need to be returned.

**A current credit card, Visa® or MasterCard®, must be supplied for the \$100 handling/chute fee & shipping cost, or other deposit arrangements made in advance. Your credit card will be billed by Kruger Ranch at the time of service.**

**WHEN TO CALL** - The Mare Owner/Veterinarian should examine the mare during her heat cycle to determine when she will ovulate. The Stallion Manager should be contacted early in the mare's cycle, so that they may inform you what days they will be collecting the Stallion. As soon as the time of ovulation has been estimated, the Mare Owner or their Veterinarian, should contact the Stallion Manager as to when semen should be shipped; (usually, when a 3 to 4 cm ovulatory follicle is present.) **REMEMBER:** Advance notice is needed in order to collect, prepare and ship the inseminate. The Stallion Manager/Veterinarian will ship two (2) inseminations, if available, so as to arrive within 24 hours. (Usually via Fed Ex®). A same day Counter to Counter shipment via a connecting Airline may also be available, if needed. Once the shipment arrives, the mare should be inseminated immediately. The mare could be inseminated again with the second dose after the initial cover, if necessary.

**STALLION COLLECTION, SEMEN EVALUATION, PROCESSING AND PACKAGING OF THE INSEMINATE WILL BE CONDUCTED AT THE KRUGER RANCH, BY A QUALIFIED, LICENSED VETERINARIAN:**

**The servicing Veterinarian will bill the Mare Owner's Credit Card, directly for the Collection Fee at the time of service. The servicing Veterinarian must have a completed client form & valid credit card on file or pre-payment for the collection fee.**

**RETURN BREEDING** - Should the mare fail to conceive, and another shipment is needed, the same procedures outlined above should be followed. The actual Vet collection and shipping costs will be due. (If an Equitainer® is sent, it must be returned promptly & in good condition). Your credit card will be charged only for actual cost amounts at the time service is provided.

We recommend that the Mare owner set up their own account with FedEx®, so discounted shipping charges will be billed directly to them.

**PLEASE NOTE: FedEx® does not deliver overnight on Sundays or Mondays, to most locations.**

*Delivery via an Airline (counter to counter) is available, but an additional airport delivery courier fee of \$75 will be charged. National security issues may not allow for same day counter to counter shipments.*

We will accept a [Visa®](#) or [MasterCard®](#)
