Estimated Date Shipped Semen Needed _____

Transported, Cooled Semen Information

Blazing Invitation tests better than average in the breeding shed. He has a high sperm count with a motility rate of 80% or above on collection and 60% or above 24 hours later.

All of the mares bred by artificial insemination in 2007 settled their first shipment.

Semen will be collected and shipped on Monday, Wednesday, and Friday

First time mares will have higher priority of shipment.

The remainder of the Breeding fee and the \$250 Chute fee is due prior to first shipment.

The first shipment will be shipped at no additional charge unless shipped other than Fed-Ex Priority.

A refundable deposit of \$250 is also due prior to first semen shipment for the shipping container. Return costs will be the responsibility of the mare owner. An optional disposable container is also available for a cost of \$40.
